DESCRIPTION

The Vista MV is a cost-effective, compact, control surface that is capable of delivering small to large scale shows.

Featuring 5 customisable playback faders and 15 assignable buttons, the Vista MV ensures that you have enough physical controls, whilst providing the flexibility to adapt to any genre of show or event. The Vista MV also features 4 function keys, which, when combined with the 15 playback buttons offers up to an incredible 75, user definable, actions per page, providing unrivalled control from a unit that is so compact.

FEATURES

• 5 (assignable) playback faders
• 15 (assignable) playback buttons
• 2 Physical DMX outputs
• Grand master intensity fader
• 4 function keys
• Unlimited pages
• RGB back-lit playback buttons
• USB powered
• Compact design
• Sturdy construction
